## Robertson students sing their school song at the weekly 'Beehive'...

Once a week the Robertson School community gathers together for a "Beehive". A Beehive is a whole school meeting where we celebrate positive accomplishments of our students and teachers. As we celebrate our accomplishments we enjoy each other's company through sharing class projects, singing songs, recognizing artists and musicians, announcing positive office referrals and reciting our Robertson School Charter:

***We the Robertson School Community promise to be respectful to one another, responsible citizens, and safe for ourselves and others. These are our core values at Robertson Elementary School.***
